

Browse for a Work Plan

Overview

The Work Plan Browse pop-up window allows searching for active Work Plans that are associated with the user's Maintenance Activity. This is for Work Plan Browse and Using WORK PLAN ID Browse.

Navigation

DPAS Modules > *VARIOUS PROCEDURAL STEPS* >  > Work Plan Browse pop-up window

Procedures

Browse for a Work Plan

One or more of the Search Criteria fields can be entered to isolate the results. By default, all results are displayed. Selecting  at any point of this procedure returns all fields to the default "All" setting.

Selecting  at any point of this procedure removes all revisions and closes the page. **Bold** numbered steps are required.

1. Select . The **Work Plan Browse** pop-up window appears.

Note

This process is also used for Using Work Plan ID Browse.

2. Select . The results appear in the **Work Plan Browse Search Results** grid.

Brw close or Esc Key

Plan Id

Plan Name
