

Adding a LIN/TAMCN

1. In the DPAS Warehouse Management module, navigate to **LIN/TAMCN** from the **Catalog Mgmt** menu - The Results Grid displays a list of all currently available LIN/TAMCNs.
2. Select the **Add** button - The **Add LIN/TAMCN** pop-up displays.
3. Enter the **LIN/TAMCN**.
4. Enter the **LIN/TAMCN Desc** (Description).
5. Select a **Size Category**, if applicable, from the drop-down list.
6. Select a **Status**, if different from the default of *Active*.
7. Select the optional **Add / Edit Remarks** hyperlink to add comments, if applicable.
8. Select the **Add** button - The newly added **LIN/TAMCN** displays highlighted at the top of the Results Grid.

- The Line Item Number (LIN)/Table of Authorized Material Control Number (TAMCN) is used to associate individual stock numbers into product family groups within the Catalog.
- You are only allowed to maintain LIN/ TAMCN records for the Catalog to which you are logged in.

- LIN/TAMCNs are **also** used for Agency Authorizations, Agency Stocking Levels and when developing Master Issue Lists.
- Duplicate LIN/TAMCNs will not be processed. You will receive an error message if a duplicate entry already exists.

Updating a LIN/TAMCN

Attachments may be added in the **LIN/TAMCN Update** process.

1. In the DPAS Warehouse Management module, navigate to **LIN/TAMCN** from the **Catalog Mgmt** menu - The Results Grid displays a list of all currently available LIN/TAMCNs.
3. Select the **Edit** button beside the LIN/TAMCN to update - The **Update LIN/TAMCN** pop-up displays.
4. Enter information in the field(s) needing updated.
5. Select the optional **Add / Edit Remarks** hyperlink to add comments, if applicable.
6. Select the **Update** button - The updated **LIN/TAMCN** displays highlighted at the top of the Results Grid.

The screenshot shows the 'Update LIN/TAMCN' dialog box with the following fields and options:

- Instructions:** LIN/TAMCN
- * LIN/TAMCN:** C5265
- * LIN/TAMCN Desc:** MASK, CHEMICAL - BIOLOGICAL, M401/M50
- Size Category:** Select an Item
- * Status:** ACTIVE
- Attachments:** No attachments found. Attach...
- Add / Edit Remark:** (Link)
- Remarks:** ONE PER PERSON
- History Remarks:**
- Buttons:** Update, Cancel

Deleting a LIN/TAMCN

1. In the DPAS Warehouse Management module, navigate to **LIN/TAMCN** from the **Catalog Mgmt** menu – The Results Grid displays a list of all currently available LIN/TAMCNs.
2. Select the **Delete** button beside the LIN/TAMCN to remove - The **Confirm Delete** pop-up displays.
3. Enter optional **History Remarks**, if applicable.
4. Select the **Delete** button - The deleted **LIN/TAMCN** no longer displays in the Results Grid.

LIN/TAMCN records cannot be deleted if:

- There are active Stock Number records utilizing that LIN/TAMCN.
- There are active Authorization Records utilizing that LIN/TAMCN.
