

Effective Date

17 September 2021

Release Notes Overview

Release 2021.3.0.1 for the Defense Property Accountability System (DPAS) was released on September 17, 2021.

This release corrects program deficiencies identified by the user community. The update impacts the Property Accountability and Warehouse Management modules.

Property Accountability (PA) Module

Help Ticket

The following Property Accountability Help Ticket was closed by this release:

Asset Update (WPHRN51)

Help Ticket #57689

- Corrected a deficiency where mass locations updates no longer seem to work. There are no error messages or unexpected behaviors, no locations changed on any of the assets in question.

Warehouse Management (WM) Module

Help Ticket

The following Warehouse Management Help Ticket was closed by this release:

Manage Physical Inventory (LPWHN53)

Help Ticket # 57698

- Corrected a deficiency where poor performance was being experienced during a bad GetPhysicalInventory query.
