***Participant Questions and Answers:***

**Question:** Will this be recorded and available to view for future reference. I would like for the rest of my team to have a chance to receive the same level of knowledge.

**Answer:** Yes, the webinar is being recorded and will be posted within a week to the Webinar Archive located under the Training menu on the DPAS Support Site.

**Question:** how do i remove items from my warehouse?

**Answer:** There are several different methods to removing inventory - Disposition & Inventory Update manager - qty adjustment are two processes that can achieve that goal. Do check with your agency on their business requirements.

**Question:** I noticed that you were talking about barcodes. Does everyone who utilizes DPAS have access to barcodes? We, here at Vance, don't have barcodes...

**Answer:** Yes all users have the capability to utilize DPAS labels and compatible scanners to perform barcode scanning

**Question:** will there be a print out also.

**Answer:** you may download the presentation in the pod above (files)

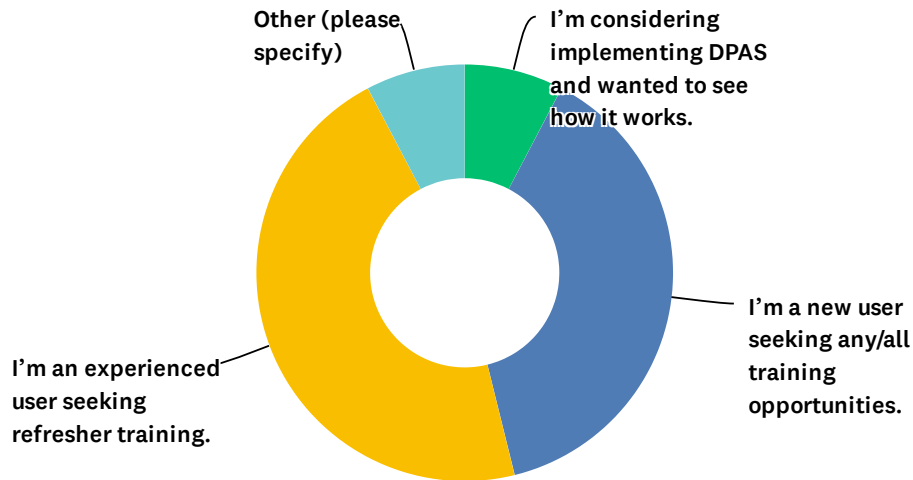

**Question:** is there any application of this process that we can use in AFERMS

**Answer:** Use of Unit Issue/Return with AFERMS is an Agency decision and should be consulted with your leadership.
