Subject: Web DPAS Account - Please Read - AA-ARL

Attached: SelectingTheProperEmailCert (2).doc (63 KB)

Your Web DPAS account has been created. Please know you have 60 days from today to log in and complete the authentication process. Even if your DPAS training is not completed, logging in and completing the authentication process as soon as possible is recommended. If you fail to log into your account within the first 60 days, your account will be automatically deleted. At this point, you will be required to provide a new DD Form 2875, DPAS Security Roles Form and User Agreement for an account to be re-created.

To log into Web DPAS go to <https://app.dpas.dod.mil/>. You will be prompted to choose a digital certificate. The only certificate that will allow you to authenticate properly is your DOD EMAIL CERTIFICATE. The EMAIL CERTIFICATE has DOD EMAIL under the Issuer Column. A screen print has been attached to aid in the selection process. Next you will be prompted to enter your User ID which is ???????? and Authentication Code. Your Authentication code was sent to you in a system generated e-mail. It was sent from "DPAS PROD01-08 SERVER MAIL[dpasPROD01-08Mail@navy.mil]."
