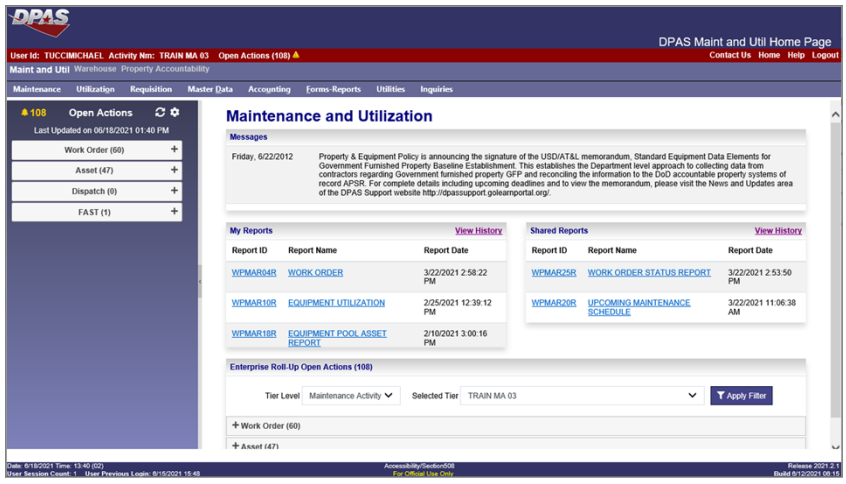
3

Maintenance and Utilization Tech Refresh

4

The Old User Interface

- For reference let's begin with the previous look of the Maintenance and Utilization module
  - Predominantly Blue
  - Red accents
  - White main page

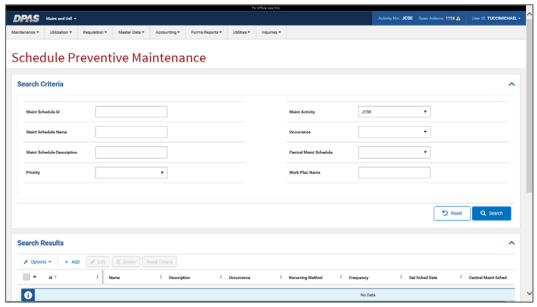


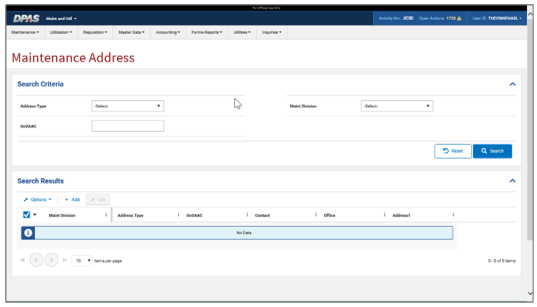
5 1/27/2022

5

Schedule Prev Maint and Address Process

- Schedule Preventative Maintenance Process
  - Updated in April 2021 (In Webinar Archive)
  - First Debut of the new user interface
- Address Process
  - Updated to new user interface in September 2021





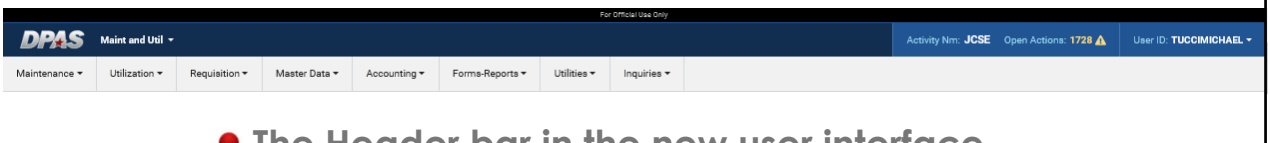
6 1/27/2022

6

Demo

7

New Header Bar

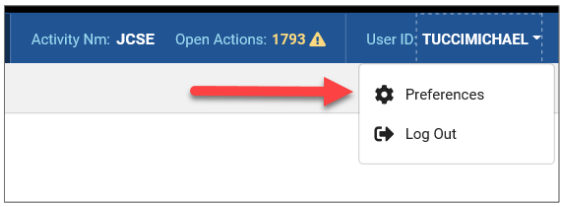


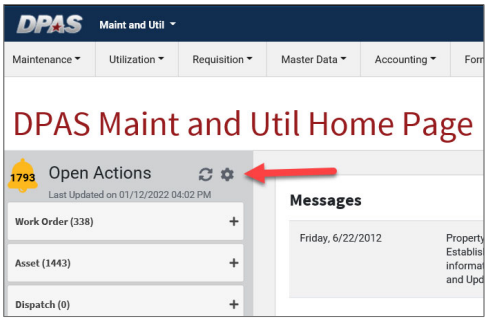
- The Header bar in the new user interface has the most significant changes
  - No red bar
  - Module selection is now a drop down
  - Maintenance Activity and Open Actions has moved to the right side
  - Log out is now in the user id drop down

8

Current Preferences

- Setting Current Preferences and Viewing Roles has moved
  - These can be accessed in the User Id drop down
  - They can also by accessed from the gear icon in the Open Actions Panel

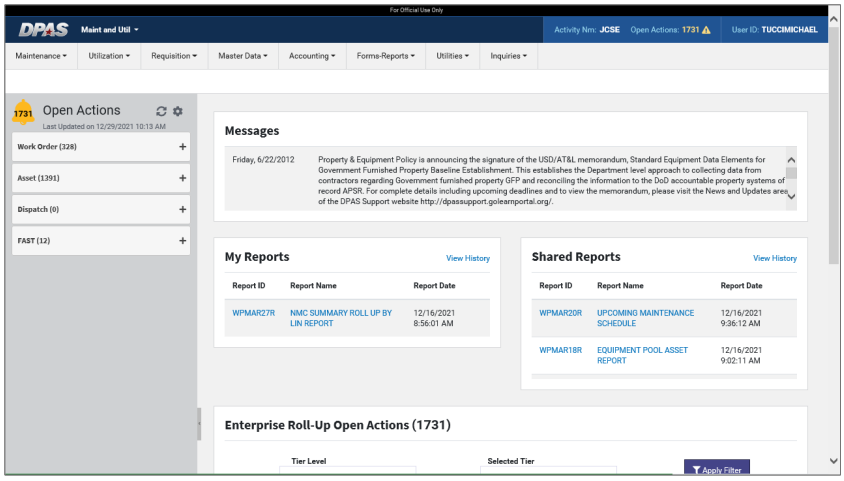




9

Main Part of the Home Page

- Main Part of Home Page
  - Little has changed other than the colors
  - Functionality is the same



10

Processes Other than Address and Sched PM

- Most processes have the same functionality, just different look to the interface
