Bridging PA and M&U

6/30/2020

- **M&U Setup in the PA Module Summary**
 - The following actions are completed in the PA module:
 - The Maintenance Group Id is assigned at the stock number level
 - The UIC/Maintenance Group Id is associated with an MA where work will be performed
 - All existing assets tied to the stock number will flow to the MA, as well as all new assets received using the stock number

6/30/2020
