Participant Questions and Comments:

Question: How do you fix the document if you order 100 and 25 are cancelled?
* Leidos DPAS 2: On the original drop down he choose Due In you would chose discrepancy.

Question: Is there a quicker way to do this if you have 100 serial numbers?
* Leidos DPAS 2: You can use your scanner to receive them but not a quicker way to enter in each serial number in. You can select the accept all not do it one by one.

Question: On Receipts wanting to know if the "PRINT 1348 " could be move to main page for printing many receipts at one time
* Leidos DPAS 2(privately): If you would like to you can submit an SCR Systems Change Request for this request.

Question: how do we fix the ICN problem?
* Leidos DPAS 3(privately): What kind of an ICN problem?

Question: I received for an item, but it did not go into the pick plan
* Leidos DPAS 3(privately): It will only go into the Pick plan if you receive into a Receiving Type location

Question: can we have individual attachments for individual items on the grid
* Leidos DPAS 2(privately): No attachments go on the document not on the individual items.

Question: when receiving I selected the ICN but it gave me an error that it was associated to a different kit
* Leidos DPAS 3(privately): That means the ICN you're trying to receive for is associated to a Kit that's already in inventory
